## Visit to Cappella degli Scrovegni (Giotto's)

The Scrovegni Chapel, a masterpiece in the history of painting in Italy and Europe. It was painted by Giotto between 1303-1305 and is considered to be the most complete series of frescoes executed by Giotto in his mature age. The Chapel was acquired by the City of Padova in 1880, and the vulnerable frescoes were subjected to several specialized restoration during the 19th and 20th centuries.
